

## Equality and Diversity Training

### HYA Training Ltd

At HYA Training we understand the importance of equality & diversity in the workplace and our aim is to raise awareness of key issues and enhance knowledge through quality training.

### Training Course 1

#### Equality & the Law - Rights & Responsibilities

The purpose of this course is to look at employer's responsibilities in relation to the law and employee's rights and responsibilities in relation to the law.

- Equality and the law - Rights and Responsibilities
- Equality and Diversity
- Stereotyping, Prejudice and Discrimination

### Training Course 2

#### Equality & Diversity

In this course you will learn about equal opportunities and how it should be promoted in the workplace.

We will also learn about stereotyping and diversity, especially prejudice and discrimination in the workplace.

### Training Course 3

#### Stereotyping, Prejudice & Discrimination

In this course you will learn about stereotyping and labeling. What the relationship is between prejudice and discrimination and how behaviour and language help to maintain these.
