Rachael Beecroft

Rachael Beecroft (Entry to Employment Learning & Development Facilitator) Graduated in Postgraduate Certificate in Education (in PCET) - Post Compulsory Education and Training.

Well done Rachael on this fantastic achievement.

Also in January she will start to work towards her Level 5 Numeracy Subject Specialism.

Christopher Turner

HYA Training Senior Administrator Jackie Turner was a very proud mum celebrating with her son Christopher Turner.

He achieved his Engineering - Gas Installation Advanced Apprenticeship

Feedback

We continuously seek feedback from our employers and learners to ensure we are always improving our service to learners. We would like to thank all employers and learners who took part in the recent survey. Here is some of the feedback:

Lesley at Peter Barratts: "The staff are very good, friendly and have high standards. It has been a pleasure doing the course. I would recommend all employees do the Apprenticeship Framework."

S Sonley at Ideal Standard: "I find studying for my Apprenticeship gives me a better understanding of my current job role as I am finding better ways to organising my work and feel more confident. I feel I am getting full support from my assessor."

Tracy at Regal Fish: "Excellent support and training by Andrea, clear and concise instruction and information."

J Allison at Hull & East Riding Hospital: "I enjoyed doing my NVQ and also the support I get from my assessor."

Norah Kirkham at NHS Trust: "Vicky was very supportive to me and without her I wouldn't have done it, Thank You."

100% of employers are satisfied with the service learners receive from HYA.

Advanced Apprenticeship Graduation

The 3rd Advanced Apprenticeship Graduation Ceremony held on the 4th November was the biggest to date.

Over 500 Apprentices, Employers, Apprenticeship Providers, Family and Friends joined in the celebration at the Hull City Hall.

Advanced Apprenticeships are tough frameworks to complete, requiring absolute commitment and determination, so we would like to congratulate the HYA Advanced Apprentices for this amazing achievement.

Well done... Leah Allott, Jade Adams, David Speight, Lloyd Bailey and Aimee-Viktoria Hunter.

Moving Forward with Life Long Learning

The Apprenticeship programme has now extended the criteria to meet any learner 16 and over.

This is a fantastic opportunity for anyone who is already employed and looking to further their career with a new or additional qualification.

Apprenticeship Qualifications Available at HYA:

- Business & Administration Level 2 & 3
- Customer Service Level 2 & 3

To find out more, simply call Jo at HYA Training.

KCOM Contact Centres Ltd has recently offered this training opportunity to all employees and we have had an overwhelming response.

To date 18 employees are working towards the Customer Service Apprenticeship Framework.

Welcome to Jody Barford and Helen Peel

A big warm welcome to Jody Barford and Helen Peel who joined HYA Training this Autumn.

Jody has joined the Entry to Employment team and will be implementing new and exciting sessions for the learners.

Helen has taken on the role as Business & Administration Assessor and Generic In-house Trainer.

Both Jody and Helen come with a wealth of experience and skills and HYA Training would like to wish them both well in the new roles.

Newsflash

Emma Marsden has achieved 100% in her Technical Certificate Test.

Brilliant achievement Emma!

Well Done Nicki

Nicki Timms joined HYA Training 2 years ago on the Entry to Employment Programme.

She quickly progressed onto the Business and Administration Apprenticeship. Her career aim was to work in an office environment.

She was placed at Connexions Head Office in Hessle working towards her Administration Apprenticeship. Working on the reception she very quickly impressed her work colleagues and has now secured a full time job with Connexions as an administration assistant.

Positive Destinations

69% of the Learners on the Entry to Employment programme have moved into Employment, Apprenticeships and Further Education.

Well done learners.

Fantastic 50!

Learning Consultant Sue Ruffell celebrates her 50th Birthday.

Looking good Sue.
